

PWM -

In Augsburg have used PWM Targeted in 25-26  
5 Asset.

Fill 31.12.2028 u. pumo. on program of construction.

Challenges -

Persons Center machine are disfunctional due to lack  
of Training of Plastic cutting cycle use plastic stored

In Pwmc centers. In villages Sahu-Karni not taking interest to collect single use plastic. Need and supplier and vendor to hand hold thru Pwmc for functionality.
