

# O&M Arrangements and Functionality of CSCs

**State:** KANPUR NAGAR | **AIP Year:** 2026-27

## 1. Functionality Status of CSCs

- **Coverage:** The district has successfully constructed **[588] Community Sanitary Complexes out of 590 gps** to provide sanitation access to landless laborers, marginalized households, and public areas.
- **Current Status:** A saturation drive was conducted in late 2025 to ensure all existing CSCs are functional, with a focus on **24/7 water availability** and proper drainage systems and other functionality points .

## 2. O&M Arrangement through Self-Help Groups (SHGs)

Following the **Government Order (dated 10 September 2025)**, the Operation and Maintenance (O&M) of all CSCs is being transitioned to local **Self-Help Groups (SHGs)** under the framework given in letter :

- **SHG Handover:** SHGs are formally identified and assigned to each CSC for daily cleaning, maintenance, and basic minor repairs.
- **Financial Model (OSR & Tied Grants):**
  - **15th Finance Commission:** 30% of the maintenance cost is supported through **tied grants** allocated to the Gram Panchayat for water and sanitation.
